To Whom it May Concern,

It is my honor and great privilege to acknowledge the wonderful volunteer efforts of Christine Zacharko on behalf of the Alberta Cancer Foundation.

Christine has become involved in one of the Alberta Cancer Foundation's partnership events – the World's Longest Indoor Soccer Game – and quickly moved into a leadership role within the organization and execution of this special event.

As one of the key volunteers, Christine identified a need within the event and stepped in to assist with the silent auction, generating a significant portion of the event's \$57,000 fundraising total. Christine worked tirelessly behind the scenes to solicit and acquire silent auction items, organize pick-up and delivery, and sort and organize the items to best present them the public.

Christine also shone in her care for the players, ensuring they were well taken care of with food, drinks and various other essentials, and her diligence in volunteering fostered a smooth event that was one of the best we've seen executed in this calendar year.

Overall, Christine is a very well-rounded individual and a great contributor to her community. Please do not hesitate to contact me for further information about Christine's involvement at any time.

Sincerely,
